someone else today. We are community and
as such need to know one another.*

We have been given permission to park in the west lot,
they keep the snow off and salt when necessary. But. We
park there at our own risk, so please BE CAREFUL when
you walk.

•A caterpillar is not a butterfly – yet. Given time and
the right circumstances, the caterpillar will make the
transformation into the beautiful creature it was
created to be.

•Man is a fallen creature, but God desires every
person be transformed into a glorious 'New
Creature in Christ', (Psalm 149:4). However, many
don't want to transform; they seem content in their
current state of atheism or indifference.
So what do we do with those people around us who
adamantly reject Christ and Christianity?
Firstly, we are not called to 'write' people off. Keep in
mind that while they still live there is still hope.
Our job is to pray for all in our vicinity – especially
those without Christ. People may not wish to hear
the Gospel from us but we can still witness to them
by our actions. As opportunity arises, we can
demonstrate our transformation and our Christ-like
attitudes such as: tolerance, grace, inner-peace,
forgiveness, (Romans 12:2).

When we behave like true Christians, those
negative people (whom we thought beyond all
hope) may turn around and start questioning what
makes us tick. They have witnessed the
transformation in us and desire that Christ-likeness
for themselves.

We should never give up on anybody. Only God
can judge if a person's negative volition has gone
past the point of no return. If a person is still living
and has not yet believed in Christ as Saviour, we
should simply view that person as: 'NOT A
CHRISTIAN – YET'.

**Therefore, if anyone is in Christ, he is a new
creation; old things have passed away; behold,
all things have become new. 2 Corinthians 5:17**
