TRANSFORMER

John 10

Pastor Charlie Hansen

Last Sunday we had an amazing time at the church picnic. The Randel's shared there home with us and there was food galore.

I want to thank everyone and I'd like to do it by name but I'm afraid I'd miss someone. To all who brought food, thank you. To all who help set up and take down thank you. To all who came and fellowshipped, thank you.

Next time we will have a better raffle. It was fun for everyone, kids and adults alike. So, once again, thank you everyone.

We have people in our fellowship that have some health issues. Bart is in the Hospital as we worship today. MaryJo with her knee, Cindy and Heidi's sister is facing an upward battle. There are some struggling with work issues and some with financial issues. I encourage all of you to reach out to them. We tell people if there's anything you need....most people won't ask or tell you what they need. We are a great community that surround others when they need it, lets continue to do so. If you don't know numbers, and you don't have a directory, see Gary R, he can get one too you.

We have sticker, coloring books for the young ones. They can take them home, play with them in fellowship.
