Operation Christmas Child. As you see the boxes this is what it is. The goal, should it be God's will, would be 50 boxes this year. You get to pick the age group, gender (Male/Female) and fill the box with gifts that be all they will see for Christmas. You will see Videos of what it looks like when these children open their boxes.

Last week a question was asked, "what Bible should I use?"

The church preaches and teaches from ESV. No version is perfect. Unless you are able to read the original text, it will never be perfect. We encourage you to use a study bible if possible. Please remember, the best thing you can do, no matter what version you read, is to pray when you open the Bible. Ask God to allow the Holy Spirit to open your mind, heart and spirit.
