Thanksgiving Day is our 21st anniversary. We always have service and it usually is an hour of less. What better way of starting the day of giving thanks then doing it in Church to a very giving God the glory.

HSCC has had a FB page for decades and yet we can't seem to get past 1750 followers. Its difficult to be the light when its not shared. So I encourage all of you to invite all YOUR FB friends to like our page. The goal is to bring Jesus to more people who may not even know we exist. One week later its still at 1750.

We go out to several countries and many states, but until the whole world hears.....
