People will buy clothes that promote the stores logo. Old Navy, Nike, North Face, Harley Davidson and the list goes on and on. NOW, you can start getting all your swag from HSCC! Our very own Amber has put together several choices, styles and colors to pick from. Prices are ridiculously low, and everything is made when ordered. So there is no need to have a minimum order.

~~~~~

There is a church directory on a table in fellowship, please look at it and if you need an update please write the changes in the directory next to your picture/name. If you are not in it and need to be, there are blank pages, please write your information and we will get it updated.

~~~~~

We've had some minor construction going on at the front of the church (inside). Thank you Bob Wilson for overseeing it and Tyler and his friend Brad for getting the job done.

~~~~~

If there is any interest, we can bring back movie night. With the cost of everything, coming to see a good movie free is worth it the time and effort. All movies are family and Christian focused. We can have popcorn or make it a pot luck. .

~~~~~

Coming soon, a Saturday to do advance directive. We ALL need one. Stay tuned.

Closing prayer

Go into the world and let them see Jesus in you. Even if one person is changed because you shared your faith, the world is a better place.

Everyone of us has the ability to share what Jesus has done in our lives. Remember, no one will be excited about it if you aren't. You have a gift, go use it.
