Closing prayer and blessing

DO you know why some people are really good at selling things? Its because they believe in the product. When you really believe in something its easy to get excited about it and once excited you want others to know about it.

So it is with pretty much everything in life. If its something you really like, enjoy or believe in and are able to share, wouldn't you?

Are you inviting people to church? It shouldn't be a one and done. It took 10 years for me. Lets pray those you ask don't wait as long as I did.

Invite others...you'll be glad you did.

SHOP WITH A COP

I know its just October 8th but we need to remember November 23rd. HSCC will be celebrating 20 years on that day.

Last year we had a family style dinner here at church and had a wonderful turnout.

I pray we can do the same this year. 20 years is something to celebrate. If this is something you would like to do, let me know.

*We will have a service on Thanksgiving day as we do every year at **10am**.*

Service is usually less then an hour, and if we have a meal here we will have more time to fellowship with everyone.

Thanksgiving....To be thankful....for so much.
