2 Corinthians 4:7~John 14:27

WORSHIPPING

With music and song as we again sing to the  
Lord  
Closing prayer and blessing

If you haven't seen or noticed in the fellowship hall, or gathering room if you prefer there is a big water bottle with a sign on it saying it is for **Shop With a Cop 2023**

This means a great deal to me. When I was 10 years old I got to shop with a cop. It was the only way Christmas would happen in our house. To see these kids walk around the store, not asking for anything for themselves but for family is truly a special moment.

All of you know I serve as Chaplain for PPPD and that's where this will go. Search your heart and see if you can't drop a dollar in there every week. Maybe more?

55 years later I still remember that day and how special it was, I'd like to think HSCC would want that for some other child.

~

Many of you don't see it because you don't walk the hallway by the children's room. There is a wall of information and a bulletin board that changes every several weeks by Ginny and Gary. They spend hours on it for the kids, take a minute and walk by it and see what our kids get to see. Plus, if you haven't been on that part of the church it will be a new experience.

~

There will be a special event coming for the kids soon, details to come.

Make this an amazing day with the glory to God!
