With music and song as we again sing to the Lord

Closing prayer and blessing

Last week hearing Laura's story was powerful. Its difficult to stand in front of people and share your life with them, but its also cleansing in that once its made public, the enemy has absolutely no power over you.

Its when we become afraid to share that he entangles us in our own fear.

If you were here last week and heard, you now see Laura in a different light, one of victory. The enemy wanted to keep her down and convince her to stay silent, but God through the holy spirit had other ideas.

If you think you want to share your story come see me.

I can answer all your questions, calm your fears and together we can pray that God would lead and not the enemy.

Remember, THERE IS NO CONDEMNATION FOR THOSE IN CHRIST JESUS.

All of us have a past but all of us also have a future and we can't do anything about the past, but we can look forward and keep our eyes on the Lord knowing each step is directed by Him.

What do we always say?

We don't care where you've been.....

We care where you're going.

Let today be a day of rejoicing and let your voice be heard as you make a joyful noise to the Lord!!
