Confidence
Pastor Charlie

Lords Table 2023 is in the books. I saw a great many people blessed by this event. Whats even better is how God supplied through all of you everything we needed.

A family that had nothing was given things to help start their home. Our neighbors next door was able to gather a number of items to help the homeless.

It was a long day, it was hot and it was a lot of work.

I know you were all tired at the end of the day and maybe even a little frustrated, but imagine those folks who now have a chair, or a nice shirt or a coat. Imagine those who might have been hungry, kids that got a toy. I saw one little boy get a Bible and was so excited.

Thank you to all of you who poured out all you had to give.

Now we start to think about next year. What can we do better, what can do differently.

Do we get more people involved? Do we get a storage shed to store and work out of there.

PRAY and lets see where the Lord will lead us. I do believe many many people were blessed by yesterday, no matter how tired we all got.

Thank you!!
