

As the Lord Table approaches, donations continue to come in from a lot of different people. With those donations comes the need to go through them and get them organized. Many hands make light work. (HINT-HINT)

We haven't done this in several years so it will be exciting to see what God does that day. We will also feed anyone who wants to eat. We have a donation of Hot Dogs and Buns, what a blessing.

If you are able, we can still use water. If you happen to buy a case maybe think about getting a second one for the event.

This will be a good day and it will be our job to show everyone the hands of Christ. We can share the gospel when asked why we are doing this, and I assure you people will ask. Others will want to pay you for things, and again, we tell them it's all free just like the love of Christ.

It's a fun day, a long day and a great deal of work. But the feeling of being able to do something for the community and to show them that Christ loves all people and Christians are not only good people, but we're even kinda cool.

☺

Remember, please donate. The only rule is if you wouldn't wear it or wouldn't use it don't bring it.

Be blessed!
