It will be held on Saturday February 3rd from 8am till 2:30pm.

If you would like to go see Pastor Charlie and he can give you more details.

You made it through Christmas and the New Year. You've made resolutions for any number of things to do different this year. What I've learned over the years is to not set the goal super high right away because if you feel you are so far away from it that it will never happen you get discouraged and stop.

Want to read through the Bible this year? There is most likely a plan in the back of your Bible, take it, one day at a time. Honestly, there is no penalty if you miss one day, there might be if its two days, but never just one.

Whatever you decide, make it fun, making it a burden just won't work.

Stay with us after Church and fellowship with us, there will be food!
