*Whatever happened to sin?*  
*Romans 6:33*

*Message today given by*  
*Mr. Gary Randle*

We have been given permission to park in the west lot, they keep the snow off and salt when necessary. But. We park there at our own risk, so please BE CAREFUL when you walk.

*There's a lot going on with people in this season. Meg home with back surgery. Laura Home with hip surgery Bob in Mayo clinic with surgery and infections. (I'm sure I've missed some) Is this the work of the enemy? Yes and No. (I never liked that answer, but in this case its true) We live in a morally bankrupt world. Illness and evil prevail because we are a pretty sinful group of people. close to 8 billion of us walking this planet.*

*Yes, it is IF we give him the POWER to get inside our head. We forget that he has no power. NONE, until we give it to him. And we won't. Today as you pray be very intentional with it. Don't do it because that's what we do, do it because God hears our prayers. He's the one who has **ALL the POWER!***

*Thank you to Gary, Bart and Kate for taking care of everything today. Its been a crazy week in the Hansen household and getting away for a day or so is much needed.*

*I want to thank you all for last week. Communion Sundays are my favorite as we get to stay and fellowship. On top of that, you showered me with Grace and celebrated by not 75<sup>th</sup> birthday. I tell people all the time that I have been blessed to Pastor the **best congregation** around, and I mean it. Thank you everyone! Have a great Sunday and we'll see you next week, God willing.*
