Mother's Day increasingly celebrates *all* the  
important women in our lives and the company  
is seeing guests redefine what Mother's Day  
inclusivity looks like to them. According to the  
company, many celebrate women who play a  
maternal or supporting role including sisters,  
aunts, cousins, Godmothers and even friends.  
"Connection with other women transcends  
demographics and has become a universal  
theme.

Mother's Day has become a day that focuses on  
generally recognizing mothers' **and mother  
figures' roles**. Mother's Day has also become an  
increasingly important event for businesses in  
recent years. This is particularly true of  
restaurants and companies that manufacture  
and sell cards and gift items.

The origins of Mother's Day are attributed to  
different people in the United States. Many  
believe that two women, **Julia Ward  
Howe** and **Anna Jarvis**, were important in  
establishing the tradition of Mother's Day in the  
United States.

Other sources say that **Juliet Calhoun  
Blakely** initiated Mother's Day in Albion,  
Michigan, in the late 1800s. Her sons paid  
tribute to her each year, and urged others to  
honor their mothers.

Enjoy the day, where it takes you!
