they keep the snow off and salt when necessary. But. We  
park there at our own risk, so please BE CAREFUL when  
you walk.

***God is: The Perfect Sculptor***

*Sculpture is defined as the art of cutting, carving or  
otherwise rendering solid material into an ornamental or  
aesthetically pleasing form. A gifted sculptor can see a  
work of art within a solid object and has the ability to  
reveal it.*

God is a Perfect Sculptor and, no matter how hard the  
world has made us, He can see a spiritual artwork within  
each of us waiting to be revealed. Like any good sculptor,  
God doesn't go to work with a sledgehammer; He knows  
that too much pressure applied too quickly will only cause  
us to break. Instead, God patiently chips away at the  
edges to slowly reveal the spiritual artwork within.  
Attainment of spiritual maturity usually comes through  
numerous small steps of rehabilitation. We shouldn't be  
discouraged when our spiritual growth seems slow. God  
is patient - and we should also be patient. He intends us  
all to be masterpieces of grace and this takes time.  
Many circumstances that happen in our life may seem to  
have no reason, but it is through these circumstances that  
God shapes us. If we allow God to have His way, bit by bit,  
the person He wants us to be will be revealed. Our  
jealousy, our bitterness, our hatred, our arrogance will  
slowly be chipped away to reveal a sculpture of Grace - a  
living artwork of humanity that many people will come to  
appreciate.

The best way to interest people in the Gospel and our Lord  
Jesus Christ is to be sculptured in His image. Romans 12:2 states: **Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is - His good, pleasing and perfect will.**

**June 9<sup>th</sup> we will have a VERY special guest speaker. ☺**
