We don't care where you've been....  
We only care about where you're going...

'Seeking God's will, Sharing God's love'

Sunday June 30<sup>th</sup> 2024

## 12 Simple words

*Pastor Charlie Hansen*

Today's message came from sitting with a 88 year old man who was dying. As you'll hear today, God will sometimes lay things on your heart when you least expect it. I hope that the message and scriptures touch you and maybe change thoughts we often have. Have a great Sunday and be blessed!

We are working on setting a date for Baptisms. Some of the places we've wanted have no availability. We will find the right spot and will do so very soon. Remember, see the Pastor if you are seeking to be baptized.

Last week we were not able to stream our service

There is so much that goes on in the day to day operation of this church. You wouldn't think so being as small as it is, but there is. All that to say, continue to keep your Pastor in prayer.

Have you reached out to those who haven't been in church for a while? Those who are home bound? It takes a community.....not just one person to reach out.

We have sticker, coloring books for the young ones. They can take them home, play with them in fellowship.

Speaking of little ones...People always get flustered when a little one makes noise. If they aren't screaming, its not an issue. The fact you are bringing them is so important and can change their life. Its why we have open communion, its why kids play after church. Because someday they'll share those memories with someone else.
